

Paula Case

June 1, 1969 - February 16, 2026

Paula Case, 56, of Canon City, Colorado, and later Pueblo, Colorado, passed away on Feb 16, 2026 after a short battle with cancer. During this time, she found solace and strength in her faith in Christ, as well as with her love for her husband, Kenny Case. Born to Judy and Eddy Naimy in Mendenhall Mississippi, Paula spent a life rooted in love, family, and service, including many years caring for her mother, Judy Naimy.

She was a loving and kind daughter, sister to Joel Woodward (married to Karisa Woodward), devoted wife to Kenny Case, and cherished mother to three children who brought boundless joy: Alicia Lopez (married to Alfredo Lopez) and their children Alfredo Michael Lopez and Olivia Lopez; James Mondragon (married to Tianna Moreland) and their children Ryan Mondragon and Makenzie Mondragon; and Destiny Schuckert and her children Nicole Schuckert and Daniel Naimy. Paula's family was the center of her world, and she delighted in spending time with her children, grandchildren, and husband. Paula's talents shone in the kitchen and at the table. She loved crocheting and cooking, and she found particular happiness in baking cinnamon rolls and creating bread baskets that often became gifts of warmth and welcome to friends and family. She loved people and she made friends everywhere she went. She has long time friends she leaves behind both at City Market and Home Depot. She also leaves behind childhood friends that have kept in touch throughout the years. Her generous spirit, patience, and steady presence will be remembered by all who knew her.

A Celebration of Life will be held on Mar 6, 2026 at Roselawn Funeral Home.

“ I worked with Paula at Home Depot. She is everything her obituary said. I didn't see her very often after she left HD, but when I did...I was a friend for life. I will miss you, Paula.

“ Paula and I were childhood friends meeting in the 5th grade. We met on the first day of school. She was a new student, and we had been given an assignment. She didn't have a pencil to do hers. So, I quickly finished my assignment and gave her mine. Later after school, she showed up at my house to thank me. After that we were inseparable. In our 5th and 6th grade years especially we spent a lot of time together. She was a gentle and kind-hearted person. She was always quick with a smile; and I never heard her say anything negative about anyone. I lost touch with her after the 8th grade. We reconnected decades later on Facebook. Although it has been over 40 years since I last saw her, I was very saddened when I learned of her passing. She will be missed.

“ I met Paula in 5th grade. We became close in junior high. She was the best childhood friend I ever had because she was genuine, kind, and loyal. She was never mean or vengeful. I have wonderful memories of sleepovers at my house, long talks, walks home from school, and going out places together like the movies, football games, county fair, and running around La Junta. I loved her as a person and true friend. I remember her laugh and her sparkling blue eyes. I will miss you dear friend,. Im heartbroken that we didn't meet again after so long apart, but your memory will be in heart forever.
