Phil Edward Austin, 71, born 3/20/1954 passed away 5/28/2025 after a long valiant fight against melanoma cancer. Preceded in death by his father; Philip Austin; brother, David Austin; grandparents, Alys and Earl Rummel, and Mary and Tony Saracino; and brother-in-law, Esco Billings III. Survived by his mother, Sadie Austin; sister, Valerie Billings; and brother, Eric Austin (Dave Whybrew); nephews, Shelby (Brenda) Austin, Gus Austin, Jeremiah (Leslie) Rojas, Kenn (Kristen) Brantley, Kyle (Amber) Billings, Ross (Alicia) Billings; great nieces, Taylor Duran, Casey Schueler, Miah Rojas, Alyson Austin, Reagan Billings, Hadley Billings, and Sadie Brantley; great nephews, Jeremy (Karla) Rojas, Tyce Riggle, Landon Austin, Tyler Austin, Cole, Billings and Camden Brantley; great-great niece, EmmaLea and great-great nephew, Khaii. For many years, Phil was an over the road truck driver hauling hazardous materials across the nation. Once retired, you often found Phil tinkering around in the garage or working on a project. Everything had a purpose and everything could be fixed and reused, either for the original purpose or a new purpose. From fixing cars and trucks to reupholstering furniture, Phil was a jack of all trades and never came across something he could not fix or repurpose. He was always there to lend a helping hand when asked. He enjoyed watching the Rockies, Broncos, car racing and professional golf. He will remain in our hearts forever. A private memorial was held by his immediate family.
