“ Sincere sympathy is sent to Ralph's family. His life in Pueblo will continue to impact the community for a very long time. Ralph was my high school classmate and he was a stand-out then, and throughout his life. His laugh, genuine caring, and quick mind will be missed by so many.

“ *Ralph was my husband, John Ward's, uncle and godfather. Ralph always wanted to help people. He helped me get connected to the Pueblo YMCA when we first moved to Pueblo in 1992. To this day I continued to enjoy and am grateful for my career at the Y that does so many great things to serve the Pueblo community. Ralph was the perfect role model for serving the community. He served on the Y board and on our Chairman's Round Table from 2002-2012. I was always very proud to have the YMCA common bond with our "Uncle Ralph." He will live on forever with all the great things he accomplished in Pueblo.-Cheri Ward*

“ I went to school with Ralph, but didn't really get to know him until many years later when we started having class lunches at Pizza Ranch every month and we would both attend those. I really grew to like and respect Ralph for all his accomplishments over the years. He was a really nice person and a pleasure to talk to..I know he will be deeply missed by all who knew him. May God give His comfort and peace to Ralph's family and friends. Sincerely, Gary and Verna Hainer.

“ Ralph was such a huge part of my life. I worked with him and for him for 38 years. He worked with me when I wanted to quit to stay home with our boys. He made a way for me to do it, he was a pioneer for the work from home idea. I was able to do that for 13 years, which enabled me to be a part of the kids early years. That was an answer to prayer. Ralph was God's instrument to make it possible. I will always have a place in my heart for Ralph, he will never be forgotten. Rest in Peace, Ralph. Love you, my friend ❤️
