“ *I was deeply saddened to hear of Renee's passing. She and I played a bunch of mixed doubles in tennis years ago. And won a bunch of tournaments. It was not mentioned in the obituary, but she also won a state high school championship at No. 2 singles. A terrific accomplishment. She was a ferocious competitor and a great friend. I have attached a photo of us winning the Paper Cup, one of so many wonderful memories I always will remember about my partner and friend. Game, set and match, Renee. I will never forget you.*
