“ Bob and I worked together at Abex Corporation, he being our Purchasing Agent. He was a more than capable PA, replacing a long timer and very capable individual. He was also our "plant photographer", photographing visitors to our plant, including some top China personnel touring our plant. I pass along my very deepest sympathies to Sylvia and family for the loss of a great loved one. I worked with Bob for over eight years, and never knew him to lose his temper, downgrade anyone, or forget his co-workers, including those who had, unfortunately, passed away. I would see Sylvia at Musso's Farm and tell her to pass along my best regards to Bob, and Chuck. I'm sure God will keep Bob busy in Heaven, probably in Purchasing, and sincerely pray that He continues to watch over his loved ones. God Bless you, Bob, and his family.
