“ *In behalf of Roberta's Central High School graduating class of 1955, we wish to express our sympathy and condolence to her family and close friends in Pueblo and Colorado Springs for our loss. We remember her as a good student and a caring friend. We have watched our class grow smaller and smaller, and each departure reminds us of our own mortality. We will miss Roberta no less than we have been missing all of our departed mates throughout the years. We too will soon be over there with them.*
