

Roger Esquibel Jr

August 8, 1953 - December 5, 2025

Roger Esquibel Jr. was born on August 08, 1953, to Andronico (Roger) Esquibel and Vicenta (Bessie) Esquibel. He was the first born of seven children. He married Arsenia (Muniz) Esquibel on December 26, 1971. Roger proudly served in the United States Air Force from 1971 to 1975. He always felt education was the greatest tool and went back to school to obtain his master's degree in social work from CSU Fort Collins. He worked for the State of Colorado and retired as the Deputy Licensing Administrator, a role that he worked so hard to get and that he loved. He had two children, Roger (Carrie) Esquibel and Jamie (David Loyola) Esquibel. He provided everything for his children. He was their mentor, advisor, teacher, safety net, and best friend. He was also the best Little Pa in the world to Devon, Caydon, Donovan, Sami, Brennan, Sydney, Jordyn and Ethan. He loved each of them as much as a grandchild could be

loved and was their biggest fan and supporter in life. Eppie (Ruth) Martinez was his life-long best friend, and the Martinez and Lucero families became his family. He also leaves behind his siblings whom he loved, Tommy Esquibel, Connie Garcia, Esther Baca, Eddie Esquibel, Linda (Bennie) Laydon, Pearl (Tony) Griego and many nieces and nephews. A special thank you to his kind and loving care giver Isela Avila Chavez.

“ I met Roger in the 80's when we worked together. He was welcoming and helpful during the time we worked together. He was quick to speak highly of Archie, Roger and Jamie and his love for each of them. .My prayers and thoughts are with his family. May he rest in peace and love. He will be missed.

“ *As the brother-in-law of Roger, I enjoyed his company over the past 50 plus years attending many of his family activities, picnics, fishing trips (he taught his godson Alexander - our son - how to catch his first trout) as well as many hours with him as he generously shared facts and stories of his early life and his interesting jobs and experiences over the years.*

Roger had a remarkable memory for past details and events and shared them in a fun and interesting way with others.

He was so proud of his children and grandchildren - and he made sure to provide quality time with them sharing in life lessons as well as hobbies such as leather-working.

Most remarkable to me was how he was able to maintain such a positive attitude and optimism toward living life over the past 15 plus years as his health progressively deteriorated. Clearly he was challenged both physically and emotionally, but little of that was evident in his lively discussions with family and friends.

My condolences to Arsenia, his children Roger and Jamie, his many grandchildren - as well as to his siblings. May he long live in all our fond memories and provide a fine example for his optimistic attitude toward life ...
