“ My cousin whom I spent many times with in our young days. So very sorry to his relatives. Since I moved to Maryland, I lost touch with the family so I was not aware of the passing of the rest of the family. Uncle Steve was a great father. I worked with Johnny on my Dad's construction projects.
I have fond memories of the family. I will keep him in my prayers while he is Heaven looking down at us. Rest in peace Ron.

“ Very sorry to hear that Ron had passed away. I grew up in the neighborhood on Cypress. After I moved away I would exchange Christmas cards with Joe and Ron thru the years . After Joe passed I sent them to Ron. I had wondered how he was doing alone. They were the best neighbors . My deepest sympathy to Donna, John Jr, and Jerry.
As always,
