“ Prayers go out to the Peralta family. Memories go back to Spann Elementary, "Ron" you always had my back.....I remember when you adopted one of our cat's kittens, and spoiled that cat rotten with love.....If we all could show love like that the world would be a better place.....You will truly be missed by all the lives you have touched.

“ I only had a handful of chances as a kid to talk with you, but what I always so impressed with is how freaking cool you were. You epitomized cool: Rode a motorcycle, played in a band and a hilariously biting sense of humor. Too cool. You'll be missed, Ron. God bless. —David Patterson
