“ *Such a beautiful person Rosemary was. She made our 2 daughters feel so safe and loved in preschool at John Neumann and then at St. Therese. We moved schools because we could not live without her in our lives. Our family is sad she is gone, but so grateful that she touched our lives. May she rest in peace and may her family feel her loving presence as life continues. Peace be with all of you! Love: Paula, Michael, Elizabeth, and Christina Robben*

“ *When I think of Rosemary, I see her around a table. She kept us in stitches at John Neumann with stories of her pre schoolers. We also shared many good times with her at our monthly lunch group and at Book Club. She was the most caring and compassionate lady I knew and I will miss her dearly.*
