“ To the family of Sal Santos, we want you to know that we are truly sorry for your loss. Sal was a very good friend of ours since grade school. We shared a lot of good memories. The loss can feel immeasurable, but so can the love that's left behind. Please accept our sincerest condolences. May care and love of those around you provide comfort and peace to get you all through the days ahead. Sal had a very good heart that has stopped beating, but a heart that has touched so many lives. Just remember those we love don't go away; they walk beside us in our hearts and memories. May Sal's beautiful Soul Rest In Paradise..... Semper Fi brother! .Jim & Lorraine Jacques

“ Sal was a man with a great heart and a wonderful mind who shared his memories and artistic talents with many, me included. We met in a veterans group where Sal shared recounted a remarkable gift for remembering experiences. He was a talented artist and I fortunatley have several of his paintings. Everyone in our group will miss this most sensitive man who was our close friend. Our thoughts are with his family.
