September 9, 1946 - September 5, 2024

Sandra (Sullivan) Harris, 77 of Pueblo, passed away on September 5, 2024, with family at her side. She is preceded in death by her mother and father, Elaine and Clifford Sullivan. She worked at the Pueblo Chemical Depot, and many years in the aerospace defense industry at Sperry Corporation, and later at Trane. One of Sandi's most commendable accomplishments was being a part of the team that worked on the components for the Northrop B-2 Spirit, also known as the Stealth Bomber. Sandi loved traveling to many different places and seeing the world. She also found pride in learning about her family heritage and doing genealogy. She is survived by her daughter, Stacie (Roger) White; her longtime boyfriend, Robert Ferrell; close friends and numerous cousins. The family wishes to thank Sangre de Cristo Hospice who helped her through her final days, as well as the nurses and CNAs at University Park Care Center that cared for her. A celebration of life will be held 11:00am, Saturday, September 28, 2024, at Roselawn Chapel In lieu of flowers, the family asks that you consider making a donation to PAWS for life. "Death leaves a heartache no one can heal. Love leaves a memory no one can steal".
