“ I had Sandra's husband as a teacher in elementary school and we used to talk about how sweet Sandra was and how amazing she was. She was a such a good person. She inspired me to keep going in life. I will miss her so much! I also realized that we both had something in common and that's our middle name. My middle name is Lee too. I will be praying for her family and friends as I know this is a very hard time for everyone.
