“ Chris Robles was a gentleman in all ways. He neither looked up to the rich nor down on the poor. He was too brave to lie and too honest to cheat. He was kind to women and children and respected all he knew. We need more men like Chris. As chair of the Roselawn Foundation, our paths crossed when I needed help and advice regarding military events. Our friendship and my respect for Chris was founded on that experience and he never let me down. He was always there supporting our military. Chris' memory will live on in all that knew and loved him. I will always hold a deep respect for this man who was dedicated to his country and I will miss Chris. It pulled at my heart strings to see Chris ill and frail but his spirit remained strong and my prayer is that the choir of angels receive Chris, and their wings surround him in love. May the angels lead him to paradise eternally at rest in heaven above.
God has Chris in HIS keeping.....and we have him in our hearts.
Rest in Peace My Friend!

“ I have very fond memories of my time with Chris working at the NCO academy at Ft Huachuca. He would always make us laugh and shared very sage advice to us as we were younger NCOs then. He will be greatly missed and my prayers and condolences are with his entire family. God bless you all.

As an Army Sergeant Major he was truly all a man wished they could be. He was one a kind that only comes around once in a century. He truly loved his country, then his family, and his country what more of an example could anyone ask for?? I am so proud to have to have him my cousin and best in arms.He was proud of what he had achieved and his accomplishments in his life. He was proud of his name (ROBLES) where he came from the town of Pueblo but he was even prouder of company from Smelter you certainly did amount to something Chis and I for one am extremely grateful to had for my friend and military brother, my cousin I am so proud love and you will certainly be missed!!
