“ I worked with Sherry through her preschool. She was a wonderful woman who cared deeply for children and their development. She was open to working with all children and helped us support our children with special needs. Sherry was one of those people who always seemed to love life and was eager for any adventures that came her way. Her heart was huge--she gave herself to others so willingly. I have only fond memories of my times with her. God has taken home one of his special people. Sharon White former early childhood coordinator South Central BOCES

“ When we were children I treasure the summers I was able to go to the farm and spend a week. Sherry and I would spend every waking hour together. We grew up together and were always together at the family gatherings. Our Dads were very good friends, so we were together often. We participated in each other's weddings and loved talking about our children as the years passed. I loved hearing about her love of the daycare. She was a wonderful cousin and friend and I cherish Sherry being apart of my life.

Sherry, I have you my heart always and forever. I love you.
