

Sharon Murphy

January 31, 1952 - March 12, 2024

In loving memory of Sharon Murphy; 72, she was born on January 31, 1952 in Galveston, Texas. She passed away in her home on March 12, 2024, with her daughter, Karen, and grandchildren Marissa and Michael, by her side. Preceded in death by her parents Violet Lee Murphy, Claude Joe Murphy, her brother Mike Murphy, and her cousin Jeanie Field. Survived by her sisters Evelyn Murphy-Berry, Patricia Murphy, Regina Murphy-Johnson, her son Chad Naranjo, her daughter Karen Krumanocker, and her grandchildren Marissa Krumanocker, Michael Krumanocker, and numerous other family members. She loved working as a CNA, she took amazing care of everyone she met. She always enjoyed going for car rides; they would never know where they would end up, but it was always an incredible journey. She loved camping in the mountains, going to Creede, traveling to see her brother Mike in California, and her sister Eve in Maine. She enjoyed listening to music while crocheting, watching Bad Sisters on rerun, playing Bingo, family game and movie nights. She would love doing yard work and was always pulling weeds in the yard while drinking her iced tea. She loved making tamales, fudge, cinnamon suckers; and she loved her hot, hot green chili. Marissa loved her ice cream date nights with Nana and was always a scary movie buddy for Michael. Karen's favorite memory will always be the long car rides and endless conversations her and her mom shared. There was a split in the house with a Centennial-Central rivalry, which formed years of great memories from pranks played. She would always try to get everyone to wear red for Centennial and was always irritated to wake up and see her chair covered in blue decorations. She was strong and caring all of her life, no matter what she was going through. She was always our rock and held us together through thick and thin. She was loved dearly by everyone who knew her. All of our hearts are shattered, we will never be the same without her. We will miss her contagious laugh, but as Nana would tell us, remember to smile.

A Celebration of Life will take place at a later date.
