“ From Sheri's Aunt Glenna and Uncle Tom : Sheri came to stay with us for awhile when she was about 16. She wanted to get a pet - dog or cat. I said no, we're all too busy and not home enough to take proper care of it. She kept going down her list trying to find something that was a low maintenance pet. Well, we finally said yes at the end of the list. A Hermit Crab. We laughed for many years as she teased me about how mean i was for not letting her have a real pet. But hey, it was a really cute hermit crab !

😊💕💕💕 That's a cute story Glenna. I remember one of her visits to Calif when she was a little girl. In my backyard doing her fire cracker fire cracker boom boom boom cheer , for cheer leading. I will always remember her beautiful big brown eyes & that gorgeous smile of hers. She was a sweetheart & will live in our hearts forever. Rest in Peace Baby Sheri 😔💕💕💕💕
