“ I am so sorry to hear of Steve's passing, Our many years working together in the old Plant III. And you always made me feel welcome in your home while Violet altered my riding leathers. You will be dearly missed. May Jesus take you in his arms and welcome you to paradise with him and his father. God bless you and your family.

“ I am so sorry for your loss. I worked with Steve for a number of years at a local manufacturing company. I considered him a friend and a good manufacturing engineer.

It's a great loss to lose friends and for society as a whole to lose good engineers.
