“ We just heard of Steven's passing. We were friends of his parents in Cripple Creek and met Steven in those days. So very sorry for your loss.

“ So very sorry to hear of Steve's passing, Graduated HS with him and, when retired to Canon city, was proud to see his wonderful photos on Facebook and Channel 5. Surprised to find that one of the first friends I made here was his cousin, Paula! My condolences to the family.

“ Steve and I shared several interests. We were once cul de sac neighbors, enjoyed the amateur radio hobby together, and bicycling. We rode the Hard Scrabble Century ride together. I'm very sorry that he is gone.

*I met Steve in Boy Scout Troop 19. He was a pretty quiet kind of a guy, and was not a rabble rouse her like so many of them were. Honestly, I think he was one of the better guys there!
Our paths did not cross once we got to South, so I really never had much chance to talk to him again.
I want you to know just how sorry I am that he was taken so young from you, and that I really think we lost a wonderful man!*
