“ Mom,
So it's been almost a year since you passed away and to be totally honest it's been the hardest year of my life. So many times I have picked up my phone and went to dial your number and then the cold reality hit's there is no more phone calls. There isn't a single day that goes by that I don't think of you. My life is so empty and most days I don't know if it's day or night. My heart hurts and I know you dont want me to be sad but how am I supposed to not be?? Your memories your photos those are the things I cherish the most. I love you , I LOVE YOU SO VERY MUCH!!! Until we meet again!!!!!!

“ I have many great childhood memories of Terri. I only wish we could have seen eachother more as adults. May she R.I.P. I don't know her girls, only of them. I wish them peace and comfort. I am truly sorry.
