“ To say I was blessed to know Tom Jagger (ALWAYS "Mr. Jagger" to me!) for 44 years is an understatement. For 28 of those years I was his employee and he was the most wonderful, kind, honorable, generous, and witty employer. We continued our friendship thru the years after his 2010 retirement and shared a special visit on December 5, 2024, his last birthday. As a highly respected man, he will be missed by SO many and the City of Pueblo and the world is a better place because of him. Truly, my thoughts & prayers are with his entire family.

“ Dear Jagger Family:
I met your Dad in 1983 at the beginning of my Career in City Hall. At first I was scared to death of him (lol); however, throughout the years under his guidance, I came to admire, respect and like him. To this day, I proudly say "I was raised in City Hall by Mr. Jagger". I learned so much from him on so many levels, even when he talked to me as if I was one of kids. His professional word was Gospel to me.
I will pray for peace and comfort for all of you. May you be blessed with many wonderful memories.
