“ *I moved to Pueblo with my family in May of 2018. Thomas was one of the first people I met when we arrived. The second day we were here I took my car to have it serviced and Thomas was the man I met. We talked, we laughed and a bond was made. From that day on I would always make sure Thomas took care of all of our vehicles. He would even help with repairs not offered by the shop. He was kind and so polite. This breaks my heart. My thoughts and prayers are with you all. I will truly miss Thomas.*
