“ So sorry we were out of town and unable to attend his services. We remember your Dad as always being a happy guy and he did love to gamble! Very apt picture by the way. Our deepest sympathy to your family and may happy memories help ease your pain.

“ Karen, I'm so sorry to learn of your dad's passing. Both myself and Hollie wish that there is something we could do to help both you and, Lizz with this trying time. From viewing the photo of your dad at the video machine reminds me that your whole family were winners because of your dad and mom. We all should be as lucky. Your friends, Herb & Hollie Thornton
