“ *Grandpa Tony was a very wonderful, happy, loving man. Micheal and I always loved coming to Pueblo and staying with him. Staying up late drinking his famous wine (he always refilled my glass when I wasnt looking), showing off his garden or just relaxing watching westerns. The last time we saw him was in April of 2018 right before we got married. We found a bunch of records and spent an afternoon listening to a variety of music and just having a wonderful time. I will always treasure the time we spent together. Grandpa Tony, Micheal and I love you very much.*
