“ Vicky was a member of Legion of Mary at Holy family. she was an active member until her health declined. She continued as an Auxiliary member and was still doing her works at University Park care Center. She was an angel there for those who were not able to speak up for themselves and a caring friend to all. She would give out Rosaries and scapulars to residents. She was doing a Bible Study on Hallow App on her phone. We will sadly miss her. Vaya con Dios Amiga
