“ I appreciate each and everyone of you for taking the time to share a memory of our sister Virginia. We were miles apart for years and far apart in age when we were physically near to each other so your stories are priceless. Richard, Barb, Dan and I all had a chance to visit LaPlace. St. Joan of Arc, Walmart, the McDonald's breakfast crew are remembered fondly. You are in our thoughts and prayers too.

“ My sons started serving as altar boys with Ms. V as the sacristan. They loved working with her and were always excited to see her in Church or as we were greeted at the door of Wal-Mart. We remember fondly the mornings we picked her up as she walked to the Church to set up for morning Mass when we were on our way to school. We pray for the Lord's comfort for her family and friends as we know that she is resting in peace with our Lord.

*Virginia was a very sweet, kind, caring, friendly Christian woman. She was a wonderful Sacristan and very devoted to serving God and her St. Joan of Arc family. Always so hard working and devoted She loved her Church Family. She left here without most of us being aware of it*

*If she had been given a farewell party I'm sure it would have been a large gathering to wish her well and to show appreciation for her years of dedication. She also worked as a Walmart Greeter. I know she had a difficult life --- holding down two jobs. However she always had a beautiful, caring smile for everyone. May she be blessed for her goodness and now enjoying her Eternal Reward. She will be remembered here for the wonderful person she was. Virginia is missed by so many here in LaPlace. REST in peace dear Virginia.*

*Virginia & I we're friends since grade school when her family bought the house on Joliet. Our parents were friends & we shared many good times growing up. We Medical our first communion together & Virginia's Mother. Rose, hosted a lovely breakfast that morning for close friends & relatives. It was memorable & there we were in our white dresses, veils & of course long white stockings. The years went by we became young women full of hopes & dreams which we shared. The Ursick's were fine people the best & I will always be grateful for Rose seeing my mother thru a difficult time in her life when she was depressed. Rose pulled her thru it. I was young maybe 10 but I will never forget the daily visits, caring calls etc that helped my mom. Our ties were many our memories are many. Virginia you have earned your place in heaven. Rest in the arms of God & save a place for me my friend.*

*Love you*
