“ I am so sad to learn that my old and dear friend Fred has passed away. Fred was my Crew chief when we were stationed in Hawaii working in Kunia tunnel. He and his family were also very close friends while in Hawaii in 1965-1968. We lost contact for a few years after returning to the U.S. mainland. I located Fred and his family after we both had retired. They were living in Pueblo. We visited back and forth for several years after that. My wife, Larue and I live in Panama City, Fl. Fred and I kept in touch regularly by phone in more recent years. Fred had lost all his family with the exception of his oldest daughter Sandra who now lives in Hawaii. LaRue and I will miss Fred and our phone calls. May he rest in peace and I know he was happy to re-unite with Eleanor and his daughters. Goodbye old friend. Jerry and LaRue Goodson
