He was extremely funny and had a joke for everyone or he would just act silly and lighten any room he was in. As a child he would ride around with grandpa in his rig and that was where his love of truck driving started. Bill went on to work as a professional Truck Driver and worked as an Owner\Operator for over 36 years. In that time, he has driven more than 3 million miles all over the country. After his grandfather passed away Bill moved into his grandmother's house to help take care of her. When his mother was in nursing school, Bill would help her study, that was the kind of generous spirit and big heart that he had for everyone. In 1991 he met and married the love of his life, Myrna. For the next 34 years, they would help take care of their nephews, raise a son of their own and live a beautiful life filled with laughter and love. Bill will be forever loved and fondly remembered by all his family and friends.

“ I remember all the times I stop in to have Uncle Bill help me fix something on a truck I was driving. and all the times spent on the phone taking cause that's all we had to do. Will miss Him I learned a lot about trucking from him.
