“ *Dear Jalia and Laurel,
Bill was a long time friend to me and my family, He was truly a character and also "had Character". Of note, we have 3 trailers built by Bill and they are still road worthy. It was an honor to know him and we will miss him. We will always remember his uplifting "can do" attitude.*

*Respectfully,
Kent Stringer.*

“ My highest condolences to the family of William "Bill" L. Brown. I just meet Bill, his wife Jalia ,and daughter, Laurel and the most behaved dog in the world, Lucy at Sharmar Village. Knowing Bill for a short time keeps my spirit high and feels like I knew him for a long time. His stories will last me a forever. They had me laughing all the time and when he kidded around with the nurses. He would say what do you think about that Jack or John. I just said, I think your at a loosing battle. Bill would say I think your right. I would also say, well you got part of my name right Bill. John is my middle name. I thought that was great when Bill called me another name. I just tell him, its Gary. Bill knew my name well, he just like kidding around. Even Mark at Sharmar would get him singing and calling out bingo numbers. He would say them down the hall. That is Cool I say to myself or to my mom Marge. At times he had mom smiling and she did not smile much. Bill would say to myself and my mom, "I had a wonderfull mom" and told my mom, " You have a great son." The stories he has, I could listen to them time and time again. The moonshine story of the 51 Mercury and 39 Chevy, help build John Martin Dam, how he became a cook in the military over in France and that all time one about the animal and turpentine in a bar. This had me laughing real hard. Some others was his catfish fishing stories. I will remember these when I go fishing and hunting one of these days. I will also never forget Bill asking about me working on old cars. Wish he could of seen my truck done. I will never forget you Bill or your Family!
Thank You,
Gary Pueblo, Colorado
