“ *I am so incredibly sorry for your loss. I am just devastated for your family on the loss of sweet Billy. Billy was in my Government class last year at CPA, and I just enjoyed working with him so much. He was always willing to come on the microphone to share stories or answer questions, and he loved talking about his latest Lego builds. My 7 year old son is a huge Lego builder and I would always share with him what Billy was up to in his builds. I am thinking of Billy's family so much at this incredibly sad time. Sending you hugs and warm wishes for healing. Thank you for sharing Billy with us at CPA.*
