“ I only recently realized that we lost my friend Bill! We were neighbors, and went through school together. What a lovely family! I loved his giggle! We shared many fun times during childhood. Some of our most wonderful visits were about the Bible & the wonderful promised to restore earth, man's home to a paradise. Looking forward to seeing my friend again in the near future. (Psalms 37:10,11.

“ Bill and I have been friends since out Pleasant View Junior High Days. Then he became my brother-in-law and we were still friends. Regardless of family dynamics he said I would always be his sister and I always was. More importantly he was a good friend and special Uncle to my children Jeff and Shelly. So, brother of my heart, be at peace until we meet again.

“ *Many, many memories of you, Bill, and your family. It's amazing you and Richard and I survived the 50s. Riding the car hood behind the pickup, innumerable dirt clod fights, even putting handcuffs on the pig, those were all mind-expanding and character-building activities. It's amazing that our parents didn't do us in even after we escaped from our own follies.*

I wish for you eternal peace and comfort.
